1. Parking on West 13th Street
   Dave Bauer explained that when the West 13th St was paved it was not made wide enough to cater to parking on both sides of the street and he feels they need to take action on this. Travis Sears motioned to recommend to Council to remove parking on the South side of the street from the tracks to the entrance of the park at Tuxedo Road. Seconded by Chuck Vyhnalek. Roll Call Vote: Sears yes; Vyhnalek yes; Bauer yes. Motion passed.

2. Haunted House Street Closures
   Nate Walenta explained Sokol Hall's plans for their Haunted House activities for Halloween weekend to raise money for repairs to the building. Sokol Hall, in addition to the annual Haunted House, would like to have street vendors, games, and host a street dance requiring street closures from 12th and Main St. to Norman Ave. to 13th St. The section of 12th and Main St. to Norman Ave. would only be closed on Saturday for the street dance. Nate spoke with the local businesses affected and got their approval. Tom Ourada recommended closing Main St. from 12th to 13th St. and hosting the street dance there instead. This would include other downtown bars and move the band away from the apartments. Travis Sears motioned to recommend to Council to allow Sokol Hall to close 12th St., Main St. and Norman Ave. as discussed for their Haunted House activities. Seconded by Chuck Vyhnalek. Roll Call Vote: Sears yes; Vyhnalek yes; Bauer yes. Motion passed.

It was motioned by Chuck Vyhnalek to adjourn the meeting at 5:25pm. Seconded by Travis Sears. Roll Call Vote: Bauer yes; Vyhnalek yes; Sears yes. Motion passed. Meeting Adjourned.
